

## Modular 19-Inch Blanking Panel Solution

New from Cooper B-Line comes a range of universal, modular, EIA 310 compliant, 19-inch blanking panels, designed to aid rack or cabinet cooling efficiency.

The key to optimising cooling efficiency within any data centre or data room environment is the segregation of the cold air feed from the hot air return. The simple deployment of blanking panels significantly improves the operational efficiency of the rack or cabinet structure, preventing hot exhaust air mixing with the expensive cold air feed.

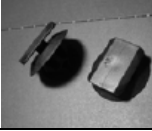

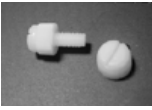

Each blanking panel kit consists of a 27U UL-VO, class 94 fire retardant, plastic blanking panel. Each blanking panel has tear off perforations every 1U allowing the user to simply and easily adapt the panel to the requirements of each individual installation. A pack of 50 quick fit fixings are also supplied as part of the kit, allowing users the facility to split the kit down into 1U increments or secure the panels at almost every U space.

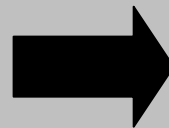

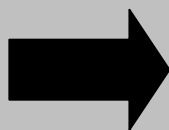

This easy-to-fit, cost effective system provides the ideal solution to aid operational efficiency, ultimately leading to lower energy consumption.

<p><b>Features</b></p>	<ul style="list-style-type: none"> <li>■ Universal mount to all EIA 310 compliant rails.</li> <li>■ Tear to unit height to suit application.</li> <li>■ Quick fit mounting allowing fitting in seconds.</li> <li>■ Fully re-usable.</li> <li>■ Low weight.</li> </ul>
<p><b>Benefits</b></p>	<ul style="list-style-type: none"> <li>■ Helps to eliminate recirculation which can lead to hot spots.</li> <li>■ Quickly and easily fills large sections of unoccupied rack space stopping by-pass air flow.</li> <li>■ Cost effective.</li> <li>■ Improves system efficiency.</li> <li>■ Reduced cooling infrastructure operational costs.</li> </ul>
<p><b>Specification</b></p>	<p><b>Material:</b></p> <ul style="list-style-type: none"> <li>○ Fire rated material: UL-VO class 94.</li> <li>○ RoHS &amp; WEEE compliant.</li> <li>○ Non-hygroscopic.</li> <li>○ Dark grey</li> </ul> <p><b>Supplied:</b></p> <ul style="list-style-type: none"> <li>○ Individually wrapped and labelled.</li> <li>○ Complete with applicable fixings</li> </ul>

## Part Order Codes

Order Code	Fixing Type	Description	Shipping Weight
CBLPF27U-1		Black Square Hole Snap Rivet 27U Blanking Panel & Pack of 50 Fixings	0.8kg
CBLPF27U-2		Natural Round Hole Rivet (IBM Specific) 27U Blanking Panel & Pack of 50 Fixings	
CBLPF27U-3		Natural 10/32 Threaded Thumb Screw 27U Blanking Panel & Pack of 50 Fixings	
CBLPF27U-4		Natural M6 Threaded Thumb Screw 27U Blanking Panel & Pack of 50 Fixings	
CBLPFBR		Black Square Hole Snap Rivet Pack Of 50 Fixings	0.065kg
CBLPFRR		Natural Round Hole Rivet (IBM Specific) Pack Of 50 Fixings	
CBLPFTR		Natural 10/32 Threaded Thumb Screw Pack Of 50 Fixings	
CBLPFTR6		Natural M6 Threaded Thumb Screw Pack Of 50 Fixings	
CBLPF1114		For CBLPFRR Rivets X Head Screwdriver	TBC

**Blank off a complete cabinet or rack in a matter of minutes!**
